

Howell Mountain Elementary School District

March 6, 2024

Dear Families,

I want to extend my heartfelt gratitude for the overwhelming response to my upcoming retirement. Your support, kindness, and encouragement mean the world to me. As I transition into this new phase, I want to reassure you that Howell Mountain Elementary School District will continue to thrive.

Change can be daunting, especially in a community as close-knit as ours. However, I want to emphasize that change is a natural part of every school year. Staffing changes, whether they occur at the beginning or in the middle of the year, are inevitable. This year, we're fortunate to have clarity about some upcoming staffing changes well in advance.

Rest assured, our existing staff will continue to serve your children with dedication and excellence until the end of June. By knowing about these changes now, we have ample time to ensure a smooth transition and to prepare for the 2024-25 academic year.

Please know that your children's education and well-being remain our top priority. We are committed to maintaining the high standards of excellence that you've come to expect from Howell Mountain Elementary School District.

Thank you once again for your unwavering support. Together, we will navigate this transition and continue to provide the best possible educational experience for our students.

Warm regards,

Queridas Familias,

Quiero expresar mi más sincero agradecimiento por la abrumadora respuesta a mi próxima jubilación. Su apoyo, amabilidad y ánimo significan mucho para mí. Al entrar en esta nueva etapa, quiero asegurarles que el Distrito Escolar Primario de Howell Mountain continuará prosperando.

El cambio puede ser desalentador, especialmente en una comunidad tan unida como la nuestra. Sin embargo, quiero enfatizar que el cambio es una parte natural de cada año escolar. Los cambios de personal, ya sea al principio o a mediados del año, son inevitables. Este año, tenemos la suerte de tener claridad sobre algunos cambios de personal que se avecinan con suficiente anticipación.

Tengan la seguridad de que nuestro personal existente seguirá sirviendo a sus hijo/a(s) con dedicación y excelencia hasta finales de junio. Al conocer estos cambios ahora, tenemos tiempo suficiente para garantizar una transición fluida y prepararnos para el año académico 2024-25.

Por favor, sepan que la educación y el bienestar de sus hijo/a(s) siguen siendo nuestra principal prioridad. Estamos comprometidos a mantener los altos estándares de excelencia que ustedes esperan del Distrito Escolar Primario de Howell Mountain.

Una vez más, les agradezco su apoyo inquebrantable. Juntos, navegaremos esta transición y continuaremos brindando la mejor experiencia educativa posible para nuestros estudiantes.

Con afecto,

Dra. Janet Tufts
