A Message from Dr. Tufts

Dear Families,

Happy Valentine's Day! We have so much to show for our heart-filled thanks. To begin, I would like to extend our gratitude to the Jambois and Bianchi families for hosting our Missoula Children's Theater actors. We appreciate your generosity. I know our students benefited in so many ways from the actors' upbeat presence on our campus.

Next, I would like to congratulate the cast, who pulled off an extraordinary performance. While the students only had four days to learn and memorize their lines, they pulled this off magically. We even had one student who only had one day to learn his role and did an outstanding job! Great work, Gavin. Behind the scenes, we had Viggo and Ariana as music and stage directors and this work supported a successful performance. Every actor gave it their all and came together as a team and unit to demonstrate their ability to accept challenges, put in the hard work and (in some cases) step out of their comfort zone to try something new. In addition, we had an overwhelming response from the community, from Jamie's delicious meals each night to all of the people who provided a hand to set up the chairs and clean up after the event. This is so greatly appreciated.

Yes, to state I am proud, is an understatement. I am profoundly honored to be a part of this special community.

Girls on the Run

In March, Howell Mountain ESD will invite Girls on the Run to work with girls in the 3rd- 5th grades. Girls on the Run facilitates social and emotional learning through movement.

Wolf Pack Spaghetti Feed Fundraiser
